Subject: LUB GWMA Oregon state meeting 3/18?

It looks more likely that 3/18 10-1 is the best time for this meeting to happen. I did some more checking in and talking with Oregon folks and the expanded list below are those who seem now to make sense to be invited. Even though this would seem to expand the meeting a lot, I think it will still be fairly small. I think we may see three from ODA, one from OHA (Emme), and two from ODEQ, so still six total with four of us from EPA. I will send out an invite for 10:30 to 12:00 on 3/18 shortly. Hopefully we won't need to adjust from that.
